

2010 INTRODUCTORY GUIDE TO AHAR

The data collection period for the 2010 AHAR has begun and communities must submit an initial draft of their data by November 30th. To help new communities and new staff persons understand the AHAR reporting process, HUD has updated the ***Introductory Guide to the Annual Homeless Assessment Report*** for 2010. This guide describes the criteria and reporting requirements for participating in the 2010 AHAR and the process for entering and submitting AHAR data via [HUD's Homelessness Data Exchange \(HDX\)](#).

Please visit HUD Homelessness Resource Exchange (HRE) at www.hudhre.info to view the revised guide, other AHAR resources as well the October webinar presentation slides.

Questions about participating in AHAR should be directed to the AHAR team at AHAR@abtassoc.com or 1-877-789-2427.
