Second Webinar Session Added: Building the Bridge: HPRP to ESG

Thursday

May 24, 2012

3:30 – 5:00 PM ET

Due to the high level of interest in the topic, HUD has added a **second** date for the webinar “**Building the Bridge: HPRP to ESG**” on **Thursday, May 24th**. The content will be the same for both webinars, so please register for only one.

If you have already registered for the Tuesday, May 22 presentation, but would prefer to attend the broadcast on Thursday, May 24th, please cancel your registration for the Tuesday, May 22nd event by clicking on the “cancel your registration” link at the bottom of the confirmation email that you received from GoToWebinar. Then, use the link below to register for the Thursday, May 24th event.

While the number of participants who will be able to attend the webinar is limited to 1,000, any number of people can register, so doing this will help provide HUD with a better estimate of the number of people who will be attending each webinar.

Webinar synopsis:

Many communities are closing out their Homelessness Prevention and Rapid Re-Housing Programs (HPRP) and beginning to implement the Emergency Solutions Grants (ESG) Program under the Interim Rule. Now is the time to leverage existing resources (and capacities) from HPRP to ensure a smooth transition to ESG. This webinar will help communities apply lessons learned from HPRP toward the implementation of ESG. Understanding the overlapping goals and programmatic details of the two programs helps jurisdictions identify where to focus planning to ensure a successful transition.

Please note that each webinar is limited to 1,000 participants and access is granted on a first come-first served basis. Although participants must register for the webinar to receive log-in information, registration does not guarantee access for the webinars. So, we encourage registrants to log-in 15 minutes prior to the scheduled start time of the webinar. If multiple staff from the same organization plan to attend the webinar, it is recommended that they register once and view together when possible. Viewing as a group can also provide valuable peer feedback and ensure that the program staff is all in agreement on how to implement the documentation requirements.

HUD's Office of Special Needs Assistance Programs (SNAPS) sponsors the *Ready, SET, Go!* webinar series. HUD records all *Ready SET Go!* webinars and makes these webinar presentations and accompanying materials available on the [Homelessness Resource Exchange](#) (HRE).
