

**CoC APR Offline**  
**September 28, 2011**

The CoC APR is being taken offline TODAY (9/28/10) at 3:30PM EDT while HUD and the IT contractors implement changes expected to improve *e-snaps* processing speed. SNAPS expects the CoC APR will be available next week so that grantees with APRs due on the new extended date of October 10<sup>th</sup> will have ample time to submit the APRs in *e-snaps*.

SNAPS appreciates everyone's continued patience as we work to resolve the *e-snaps* issues.
