

LESS THAN 60 HOURS UNTIL 2010 COC APPLICATION DEADLINE!!

November 16, 2010

Applications must be submitted in *e-snaps* no later than 11:59:59 PM Eastern Time *this* Thursday – November 18, 2010.

- All applications received after the deadline will not be considered for funding in the 2010 CoC Homeless Assistance Programs competition. Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements
- *e-snaps* is offline every day between 3:00 a.m. to 7:00 a.m. Eastern Time for routine maintenance. Please be sure you log out of *e-snaps* before 3:00a.m. to ensure that none of your work on Exhibit 1 or Exhibit 2 is lost or not saved.

REMINDERS:

1. The CoC application is actually received by HUD when the CoC clicks the submit button in Exhibit 1. The only notification that the Exhibit 1 has been successfully submitted will be the following phrase appearing at the bottom of the Submission Summary for Exhibit 1: *e-form has been submitted*.
2. If the submit button is not active (e.g., grayed out), it means that one or more fields in Exhibit 1 and/or 1 or more attachments were not completed. CoCs should check the Submission Summary to determine what fields must be completed before the Exhibit 1 can be submitted. Once all errors and messages about missing or incomplete information have been removed, the submit button will be active.
3. Prior to submission CoCs should carefully review the Project Listing for completeness and accuracy and to be sure that all applicable Exhibit 2s are included with the CoC Application.
4. If an Exhibit2 is amended back to the applicant, the CoC should update their project listing immediately to show that the project is no longer submitted to the CoC. Once the applicant has resubmitted the project, the CoC should update its project listing again to ensure that the project appears on the list.
5. Approve, rank, or reject projects only after all Exhibit 2s have been submitted.

6. All project applications (Exhibit 2s) submitted to the CoC must be approved or rejected.
7. Only new projects must be ranked.
8. Use the Budget Summary screen to compare FPRN and Permanent Housing Bonus amounts to the total amounts requested for these projects.
9. To avoid last minute technical issues, CoCs should not wait until the last minute to submit their applications. HUD encourages CoCs to submit their applications 24-48 hours before the deadline.
10. **The only Virtual Help Desk questions that are being addressed now are technical issues.** The submission deadline for Policy and NOFA questions was Friday, November 12th.
11. To allow time to resolve user technical issues, such as password resets, locked out users, etc., all emergency technical questions should be submitted to the VHD by **noon, Eastern Time on November 18, 2010.** Questions submitted after **12:00 p.m.**, may not be resolved before the Help Desk closes on November 18th.

Be sure to review the following training modules:

- For guidance on how to **upload, review, and rank** Exhibit 2 projects, review the [Exhibit 1: CoC Project Listing: Loading, Reviewing, and Ranking Projects](#)
- For guidance on how to **troubleshoot** and **submit** your Exhibit 1 to HUD, review the [Exhibit 1: CoC Submission Training](#).
- New [FAQs](#) have been posted in response to questions submitted to the Help Desk.

FY2010 COC APPLICATION DEADLINE IS 4 DAYS AWAY

November 15, 2010

**Applications must be submitted in *e-snaps* by this Thursday,
November 18, 2010 at 11:59:59 p.m., Eastern Time**

CoCs **should not** wait until the last minute to submit the application in *e-snaps*. HUD strongly encourages submission of the application at least 24-48 hours before the **11:59:59 p.m., Eastern Time**, deadline.

All applications received after the deadline will not be considered for funding in the 2010 CoC Homeless Assistance Programs competition. Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements.

ATTENTION ALL CoCs and Project applicants, e-snaps will be down from 3:00 a.m. to 7:00 a.m. Eastern Time every day this week. Please DO NOT try to access the system during this time.

At this time, ALL policy and NOFA questions will not be answered. The deadline for submission of these questions was Friday, November 12th.

To allow time to resolve user technical issues, such as password resets, locked out users, etc., all emergency technical questions should be submitted to the VHD by noon, Eastern Time on November 18, 2010. Questions submitted after **12:00 p.m.**, may not be resolved before the Help Desk closes on November 18th.

2010 COC APPLICATION DEADLINE IS 6 DAYS AWAY

November 12, 2010

Continuums of Care have less than a week to complete and submit their 2010 applications for CoC Homeless Assistance Programs. Applications must be submitted in *e-snaps* by November 18, 2010.

All technical and policy questions must be submitted to the [HUD HRE Virtual Help Desk](#) on HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info.

- **All policy, NOFA, and competition questions submitted after today, November 12th, will not be answered.** Questions related to completing the Exhibit 1 and Exhibit 2 applications are Policy and NOFA-related questions and will not receive a response if submitted after November 12, 2010.
- To allow time to resolve user technical issues, such as password resets, locked out users, etc., all emergency technical questions should be submitted to the VHD by noon Eastern Time on November 18, 2010. Questions submitted after **noon** may not be resolved before the Help Desk closes on November 18th.

The deadline for applications is **11:59:59 pm Eastern Time on Thursday, November 18, 2010**. However, HUD strongly encourages CoCs to submit their applications at least 24-48 hours before the deadline.

CoCs should allow ample time to complete the CoC Application and **should not** wait until the last minute to submit it in *e-snaps*. CoC applications received after the deadline will not be considered for funding in the 2010 CoC Homeless Assistance Programs competition. Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements.

SST-L

Continuums of Care must complete and submit their 2010 applications for CoC Homeless Assistance Programs in *e-snaps* by November 18, 2010
November 10, 2010

To avoid last minute technical issues that could interfere with timely application submission by the CoC, HUD strongly encourages CoCs to submit their applications no later than **Wednesday, November 17th**. The deadline for application submission in *e-snaps* is **11:59:59 pm Eastern Time on November 18, 2010**.

Applications submitted after the deadline will not be considered for funding in the 2010 CoC Homeless Assistance Programs competition. Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements.

All technical and policy questions must be submitted to the [HUD HRE Virtual Help Desk](#) on HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info.

- Deadline for asking policy and NOFA questions is this Friday (November 12th). Questions submitted after midnight on November 12th will not be answered.
- Deadline for emergency technical questions is noon Eastern Time on November 18th. Questions submitted after noon may not be resolved before the Help Desk closes on November 18th.

2010 COC APPLICATION DEADLINE IS 2 WEEKS AWAY

November 5, 2010

Continuums of Care have less than 14 days to complete and submit their 2010 applications for CoC Homeless Assistance Programs. Applications must be submitted in *e-snaps* by November 18, 2010.

The deadline for applications is **11:59:59 pm Eastern Time on November 18, 2010**. However, HUD strongly encourages CoCs to submit their applications at least 24-48 hours before the deadline.

CoCs should allow ample time to complete the CoC Application and **should not** wait until the last minute to submit it in *e-snaps*. CoC applications received after the deadline will not be considered for funding in the 2010 CoC Homeless Assistance Programs. Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements.

All technical and policy questions must be submitted to the [HUD HRE Virtual Help Desk](#) on HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info.

All policy and NOFA questions must be submitted to the Virtual Help Desk (VHD) by Friday, November 12th. Questions submitted after November 12th will not be answered.

To allow time to resolve user technical issues, such as password resets, locked out users, etc., all emergency technical questions should be submitted to the VHD by noon Eastern Time on November 18, 2010. Questions submitted after noon may not be resolved before the Help Desk closes on November 18th.

2010 COC APPLICATION DEADLINE REMINDER

October 28, 2010

As of today, October 28, 2010, there are 3 weeks remaining until the end of 2010 CoC competition. Applications must be submitted in *e-snaps* by **November 18, 2010.**

Applicants must complete and submit their applications in [e-snaps](#) no later than **November 18, 2010, 11:59:59 pm Eastern Time**. HUD strongly recommends that CoCs submit their applications at least 24-48 hours before the deadline.

Please allow ample time to complete your CoC Application and do NOT wait until the last minute to submit. Your CoC will NOT be considered for funding in the 2010 CoC Homeless Assistance Program competition if your application is not received by the FY2010 competition deadline (e.g. 11:59:59 PM Eastern Time on November 18, 2010). Please see Section IV of the 2010 NOFA for application submission and timely receipt requirements.

All technical and policy questions must be submitted to the [HUD Virtual Help Desk](#) on HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info.

All policy and NOFA questions must be submitted to the Virtual Help Desk (VHD) by Friday, November 12th. Questions submitted after November 12th will not be answered.

To allow time to resolve user technical issues, such as password resets, locked out users, etc., all emergency technical questions should be submitted to the VHD by noon Eastern Time on November 18, 2010. Questions submitted after noon may not be resolved before the Help Desk closes on November 18th.

Important Message on Completing Exhibit 1 and Exhibit 2

October 26, 2010

COMPLETING EXHIBIT 1

[Update to Dropdown Menu Selections for 1B, 2A, 2I and 2N](#)

Several of the dropdown menus in Exhibit 1 contained incorrect selections due to an error in *e-snaps*. The list below describes each of the affected dropdown menus.

1B. Continuum of Care (CoC) Primary Decision-Making Group

Three of the frequency options were mistakenly labeled as inactive. All frequencies listed are now active and available for selection.

2A. Homeless Management Information System (HMIS) Implementation

The dropdown menu that appears after a “no” response is entered for “Has the CoC selected a HMIS software product?”, has been updated to remove the “New CoC in 2008” choice.

2I. Continuum of Care (CoC) Sheltered Homeless Population & Subpopulation: Point-In-Time (PIT) Count

The dropdown menu options for “How frequently does the CoC conduct a point-in-time count?” have been updated to include “Biennially.”

2N. Continuum of Care (CoC) Unsheltered Homeless Population and Subpopulation: Level of Coverage

The dropdown menu options for “Indicate where the CoC located the unsheltered homeless persons (level of coverage) that were counted in the last point-in-time count:” were listed incorrectly. The dropdown menu has been updated to reflect the options identified in the Exhibit 1 Detailed Instructions.

CoC applicants that have already completed these forms in *e-snaps* should review these forms to ensure that the selections made are still accurate and make changes as needed.

[Update to 4D, CoC Enrollment in Mainstream Programs and Employment](#)

CoCs with projects that have submitted the Transition Annual Performance Report (TAPR) in *e-snaps* for their most recent operating year, should use the last HUD-40118 paper-based APR submitted (e.g., submitted in 2009) by these projects when developing response to the performance section questions in Exhibit 1 (Exhibit 1 Form 4D). Changes to the response categories for income sources included in the revised Data Standards published in March 2010 necessitated that the sources of income and non-cash benefits could not be collected in the TAPR due to timing and programming constraints of HMIS software solutions. Therefore, CoCs

cannot use the TAPR for responding to the chart in 4D Mainstream Services Enrollment in Exhibit 1.

Submission Summary

The 'Submission Summary' form contained submission condition for form 2P, which no longer exists in Exhibit 1. This submission condition is actually linked to form 2N. Continuum of Care (CoC) Unsheltered Homeless Population and Subpopulation: Level of Coverage. This error has now been corrected.

CoCs are reminded to review the Exhibit 1 in its entirety prior to submitting to HUD on or before November 18, 2010.

For guidance and training information, be sure to review the 'Exhibit 1 Detailed Instructions' located on the left hand menu bar of the Exhibit 1 application as well as the training modules posted on the [e-snaps Training and Resources](#) page on the HUD HRE (www.hudhre.info).

COMPLETING EXHIBIT 2

Clarification on the Education Assurances Questions

The 'Supportive Services for Participants' screen includes two (2) questions addressing the project's compliance with educational laws, including a requirement to designate staff to facilitate the delivery of mainstream educational services. These questions must be addressed for all projects providing housing or supportive services using McKinney-Vento funds.

To clarify these education assurance questions, HUD provides the following guidance. For both education assurance questions:

- An answer of 'Yes' would indicate that your policies and practices are compliant with educational laws at the time of application;
- An answer of 'No' to either would indicate non-compliance; and
- An answer of 'Not applicable' would indicate that educational laws are not applicable to the population that you serve.

The new requirements under the FY 2010 CoC NOFA are designed to preempt statutory changes to the McKinney-Vento Act as amended by the HEARTH Act, and to prepare CoCs and project applicants for the new CoC regulations. HUD expects all applicants to respond truthfully to application questions, and to begin planning for full implementation of the new requirements in the 2011 CoC Competition.

Applicants should review this form and make sure their selections most accurately reflect the compliance with educational laws, at the time of application submission.

Understanding the Expansion to the Chronically Homeless Definition

In FY 2010 the definition of the *chronically homeless* has been expanded to include families, which means that chronically homeless persons are no longer required to be unaccompanied. Chronically homeless families must include at least one disabled adult and meet all the other standards for chronic homelessness, as outlined in Section 4.d. (Definitions and Concepts) of the FY 2010 CoC NOFA.

This does not mean that projects must serve both chronically homeless families and individuals. Rather, applicants/sponsors may exclusively serve chronically homeless families with children in a single project. Projects with shared bathing facilities may exclusively serve chronically homeless persons of a single sex. Or a project may serve both chronically homeless families and individuals.

Applicants should be sure to review and update the ‘Project Participants’ screens of the Exhibit 2 application to accurately reflect the demography of the households in its projects. Otherwise, the correct information will be collected prior to grant agreement.

Recording Chronically Homeless Families on ‘Project Participants – Households with Dependents’ form

Due to the expansion of the chronically homeless definition, which now includes chronically homeless families. The ‘Project Participants – Households with Dependents’ screen was revised to include the chronically homeless subpopulation. However, the form does not currently allow data entry for ‘non-disabled adults’ or ‘non-disabled children’ under the chronically homeless subpopulation. To resolve this issue, HUD provides the following guidance.

For projects serving or proposing to serve chronically homeless families, applicants should enter all chronically homeless household members as either ‘disabled adults’ or ‘disabled children’ on the ‘Project Participants – Households with Dependents’ form of the Exhibit 2. During the technical submission phase (or prior to grant agreement execution), applicants will provide HUD with the correct number of disabled and non-disabled project participants.

Applicants should be sure to review and update the ‘Project Participants – Households with Dependents’ for each project serving or proposing to serve chronically homeless families.

Active DUNS and CCR Requirements for Project Funding

All Exhibit 2 applicants must have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR) system. HUD will not award funds to an entity that does not have an active registration in the CCR. For more information about DUNS Numbers and the CCR, see the FY2010 General Section of HUD's FY2010 NOFAs. Applicants may also refer to the "Project Applicants: Getting Starting" resource document available online at <http://esnaps.hudhre.info/files/gettingStartedApps.pdf>.

Applicants must obtain a DUNS Number and maintain an active CCR registration.

Correction - Standard Performance Measures for SSO Projects

The HUD listserv message sent October 18, 2010, provided guidance to applicants for completing the Performance Measures screens in *e-snaps*. The guidance provided for SSO projects contained a minor typographical error. Consequently, the message appeared to exclude guidance for SSO projects that neither provide street outreach nor include activities related to a housing goal. Row 3 in the chart below has been revised to correct that error.

Applicants for SSO projects should be sure to review and update the Standard Performance Measures, if applicable, to reflect the most accurate information.

	Component Type	Question 1A Response	Question 1B Response
1	SSO that is a street outreach program	There is a unique set of questions for SSO street outreach programs.	There is a unique set of questions for SSO street outreach programs.
2	SSO that is NOT a street outreach program BUT has project activities related to a housing goal	Enter zeroes.	Answer the question.
3	SSO that is NOT a street outreach program AND does NOT have project activities related to a housing goal	N/A	N/A
4	SHP-SH	There is a unique set of questions for SH programs	There is a unique set of questions for SH programs
5	SHP-TH	Enter zeroes.	Answer the question.
6	SHP-HMIS	N/A	N/A
7	All other SHP and S+C programs	Answer the question.	Answer the question.

REMINDER

For additional guidance and training review the *e-snaps* resources available online at <http://www.hudhre.info/esnaps>.

TECHNICAL CORRECTION POSTED FOR 2010 COC NOFA

October 19, 2010

The Technical Correction memo found at www.hudhre.info details changes made to Appendix A of the FY2010 CoC NOFA, the "List of Counties Defined as Rural for the FY2010 Selection Criteria." Specifically, HUD has determined that six counties were inadvertently omitted from Appendix A. As a result, HUD is correcting Appendix A to *include* these counties. The six counties are:

- Chautauqua County, KS
- Harlan County, KY
- Johnson County, MO
- Marion County, MS
- San Miguel County, NM
- Grimes County, TX

As provided in the FY2010 CoC NOFA, counties listed on Appendix A and otherwise meeting the criteria described in Section III.C.2.a.(5) of the FY2010 CoC NOFA are eligible for consideration for the selection priority described in Section V.B.2 of that NOFA.

In addition, HUD has determined that five counties not meeting the definition of a rural county used in the FY2010 CoC NOFA were inadvertently included on the list of rural counties in Appendix A. These counties have been *removed* from the list and projects proposing to serve these counties will not be considered in the selection priority for the rural areas described in Section V.B.2 of the FY2010 CoC NOFA. The five counties are:

- Butler County, KS
- Hardin County KY
- Jackson County, MO
- Madison County, MS
- Grayson County, TX

NOTE: This correction does NOT change submission deadlines, funding criteria, and other requirements for the FY2010 CoC NOFA. The deadline for submission of applications remains **November 18, 2010** at 11:59:59 p.m. Eastern Time.

IMPORTANT MESSAGE ON EXHIBIT 1 AND EXHIBIT 2 IN *e-snaps*

October 8, 2010

As a result of *e-snaps* technical issues reported by users through the Virtual Help Desk, HUD is providing below a description and status of each issue, and the system interface required by the Applicant to ensure that each Exhibit 1 and Exhibit 2 application is completed correctly.

COMPLETING EXHIBIT 1

Issue and Resolution: On the Submission Summary form of the Exhibit 1 application, CoC Applicants were receiving an error message that read: “The Applicant Profile must be completed before this form can be submitted.” This error unnecessarily required CoC Applicants to complete their Applicant Profile in *e-snaps*, also known as the SF-424, in order to submit the Exhibit 1 application. This issue has been resolved, and CoC Applicants are no longer required to complete their Applicant Profile in order to submit the Exhibit 1 application.

Action Required: No further action is required by CoC Applicants. The Exhibit 1 application has been automatically updated to reflect the resolution of the issue.

For guidance and training, be sure to review the Exhibit 1 Detailed Instructions now located on the left-hand menu bar of the Exhibit 1 application as well as the training modules located on the *e-snaps* Online Training page (<http://esnaps.hudhre.info/>).

COMPLETING EXHIBIT 2

- **SHP-TH Projects Could Not See the Outreach for Participants Form**

Issue and Resolution: Outreach for Participants form of the Exhibit 2 application was not appearing for new and renewal SHP-TH projects. This issue has been resolved; the Outreach for Participants form is now visible for all SHP-TH projects.

Action Required: For SHP-TH projects that have not yet been submitted, the Exhibit 2 application has been automatically updated to reflect the resolution to the issue. However, for project Applicants that have submitted any SHP-TH applications prior to this message, please contact the CoC Lead Agency and request that the project be amended back to the project Applicant. Once a project is amended, the project Applicant will need to update the Exhibit 2 application to include the correct information on the Outreach for Participants form. The project can then be re-submitted in *e-snaps*.

CoC’s may refer to the “Exhibit 1: CoC Project Listing: Loading, Reviewing, and Ranking Projects” online training module, for instructions on completing a project amendment.

- **HMIS Grant Term**

Issue and Resolution: *e-snaps* was preventing Applicants from creating new HMIS projects with grant terms of 2- or 3-years. *e-snaps* was only allowing project Applicants to submit 1-year new HMIS projects. This issue has been resolved, and project Applicants can now select 1-, 2-, or 3-year grant terms for new HMIS projects.

Action Required: The Exhibit 2 application has been automatically updated to reflect the resolution of the issue. No further action is required by project Applicants. However, if any Applicant submitted a new HMIS project with a 1-year grant term, but intended to submit the project with a 2- or 3-year term, please contact the CoC Lead Agency and request that the project be amended back to the project Applicant. CoCs may refer to the “Exhibit 1: CoC Project Listing: Loading, Reviewing, and Ranking Projects” online training module, for instructions on completing a project amendment in *e-snaps*.

- **Format (.xlsm) and Maximum File Size for the Logic Model Attachments**

Issue and Resolution: The Logic Model Attachment form of the Exhibit 2 application could not accommodate the file size and format of the [new 2010 Logic Model](#). Consequently, project Applicants may have received an error message when attempting to upload in to *e-snaps* their completed Logic Model. This issue has been resolved. *e-snaps* is now accepting the new format of the Logic Model. In addition, HUD has increased the allowable file size for the Logic Model Attachment form, such that project Applicants can now upload Logic Models that have a file size of 5 MB or less.

Action Required: No further action is required by CoC Applicants. The Exhibit 2 application has been automatically updated to reflect the resolution of the issue.

- **The Applicability of Standard Performance Measures**

Issue and Resolution: There is some confusion about which project Applicants need to complete the Standard Performance Measure question about permanent housing, which is question 1 for most project component types. Projects are expected to use the Standard Performance Measure form to set goals for performance in a number of domains. Project Applicants will then report on these same measures in their subsequent Annual Performance Report (APR). One of the primary performance measures for HUD’s programs is housing stability.

Success for HUD programs is generally measured in two ways: those who remain housed in a permanent housing program (question 1A on the Standard Performance Measures form) and those who exit a program and move to other permanent housing (question 1B on the

Standard Performance Measures form). When viewed together, both questions 1A and 1B will help HUD understand a program's housing stability goals for the program's clients. Please refer to the following chart for guidance on how project Applicants should respond to questions 1A and 1B, based on each project's component type.

Action Required: Not applicable. This update is intended to provide clarification.

Component Type	Question 1A Response	Question 1B Response
SSO that is a street outreach program	There is a unique set of questions for SSO street outreach programs.	There is a unique set of questions for SSO street outreach programs.
SSO that is not a street outreach program but has project activities related to a housing goal	Enter zeroes.	Answer the question.
SSO that is not a street outreach program but has project activities related to a housing goal	N/A	N/A
SHP-SH	There is a unique set of questions for SH programs	There is a unique set of questions for SH programs
SHP-TH	Enter zeroes.	Answer the question.
All other SHP and S+C programs	Answer the question.	Answer the question.

REMINDER

CoC and project Applicants must carefully read each question in the applications in *e-snaps* and respond based on current information. All Applicants are required to respond to all mandatory questions (marked in *e-snaps* with an asterisk(*)). For guidance and training, be sure to review the Exhibit 1, Exhibit 2, and SF-424 training modules located on the *e-snaps* Online Training page (<http://esnaps.hudhre.info/>).

FY2010 CoC Competition NOFA – Available Now

September 20, 2010

The 2010 CoC Notice of Funding Availability (NOFA) has been posted on HUD’s website in the [Funds Available section](#) and the HUD Homelessness Resource Exchange (HRE) in the [“What’s New” section](#). The deadline for submitting the CoC application (Exhibits 1 and 2) to HUD is **November 18, 2010**. NOTE: if you received an email announcing the availability of the 2010 CoC NOFA from another organization, please be sure to use the link in this email. The link provided in other email notifications may be incorrect.

BEFORE beginning the application in *e-snaps*, HUD **strongly** encourages all CoC lead agency contacts, applicants, project sponsors and other interested stakeholders to read the [2010 CoC NOFA in its entirety](#), view the [2010 CoC NOFA webcast](#), and review the [training modules on HUD HRE](#) and HUD guidance and FAQs on the HRE [CoC Grant Application Materials page](#).

e-snaps is now open for the 2010 CoC competition! CoCs that received HUD approval as part of the 2010 CoC Registration process will be able to access Exhibit 1. Project applicants that submitted Exhibit 2 project applications in 2009 may elect to bring forward data from those 2009 Exhibit 2s. Additionally, all 2008 and 2009 applicants submitting applications in 2010 must review their respective SF-424s and click complete before they will be able to access the Exhibit 2 in *e-snaps*.

The following training modules for the 2010 CoC competition will be available:

Exhibit 1

Available September 20, 2010:

- CoC Structure and Member Groups
- CoC Strategic Planning
- HHN Reallocation
- Homeless Populations and Sub-populations
- Certification of Consistency with the Consolidated Plan
- Housing Inventory
- HMIS
- CoC Performance

Available September 27, 2010:

- CoC Reviewing and Ranking
- Exhibit 1 Submission

SF-424 Available September 21, 2010

Exhibit 2

Available September 20, 2010:

- Renewal Projects
- New SHP Projects
- HMIS Dedicated Projects
- Project Performance

Available September 21, 2010:

- New S+C and SRO Projects

Available September 28, 2010:

- Project Budgets

Available October 4, 2010

- 2010 eLogic Model

Quick Links:

- [2010 CoC NOFA](#)
- [2010 CoC Webcast](#) highlights key changes and concepts for the 2010 CoC competition
- [e-snaps training modules](#)
- [HUD Virtual Help Desk](#): all questions (technical and policy) must be submitted to the Virtual Help Desk (VHD).
