

FY2011 CoC Competition Webcast

August 30, 2011

The Office of Special Needs Assistance Programs (SNAPS) was taping the FY2011 CoC competition webcast on Tuesday, August 23rd when the Washington, DC area was affected by an earthquake. The disruption in the taping session means that the recorded webcast may not be posted until September 12th.

Since the FY2011 CoC competition opened today, SNAPS will post the webcast slides in advance of the taped broadcast. The webcast slides will be available beginning tomorrow afternoon in the *What's New* section on HUD's [Homelessness Resource Exchange](#) (HRE).

SNAPS will send a listserv message when the actual webcast is posted on the HRE.
