

**FY 2011 CoC Competition Application
Deadline Reminder
October 26, 2011**

Applications must be submitted in *e-snaps* by this Friday, October 28, 2011.

Every year, HUD strongly recommends that CoCs submit their applications at least 24-48 hours before the deadline.

So far this year, 74 CoCs have submitted their FY2011 applications in *e-snaps* before the recommended submission timeframe. Congratulations!

To be considered for FY2011 funding, applicants **must** complete and submit their applications in *e-snaps* no later than **October 28, 2011, 7:59:59 p.m., Eastern Time**. Please allow ample time to complete your CoC Application and DO NOT wait until the last minute to submit. *Please see Section IV of the FY2011 CoC NOFA for application submission and timely receipt requirements.*

ALL technical issues, such as password resets and locked-out users, must be submitted to the Virtual Help Desk on HUD's Homelessness Resource Exchange (HRE) at www.hudhre.info by **Friday, October 28, 2011 (noon, Eastern Time)**. Questions submitted after 12:00 noon on October 28th may not be resolved before the CoC Applications are due that evening at 7:59:59 p.m., Eastern Time.

Any Virtual Help Desk questions related to the competition, program policies, and the CoC NOFA will not be answered as the deadline for submission of those questions was last Friday, October 21, 2011.
