

## **IMPORTANT HPRP NOTICE**

On May 8, in compliance with the Paperwork Reduction Act, HUD published a Notice of Proposed Information Collection for Emergency Review and Approval. This Proposed Information Collection includes the following documents related to the Homelessness Prevention and Rapid Re-Housing Program (HPRP):

- \* The Initial Performance report (which will serve as the first Quarterly Report)
- \* The Quarterly Report

Included in the Proposed Information are Revised HMIS Data Standards. These revised HMIS Data Standards will apply to all service providers using HMIS. These revisions include more than the inclusion of data standards applicable to HPRP and HUD encourages all HMIS-users to review the Standards and provide comments.

The documents included in the PRA Package for Emergency Clearance are attached. The deadline for comments for these documents is May 15, 2009.
