

HUD's HMIS-HEARTH Conference:
*Flexible Resources, Data Driven Solutions:
Using HMIS and HEARTH to End Homelessness*

Online Registration Open Today!

Denver, CO on September 14-17 & Atlanta, GA on September 27-30
(*same program offered at both locations*)

Each conference will focus on HMIS implementation, and the important changes made to HUD's McKinney-Vento Homeless Assistance Programs by the 2009 HEARTH Act. Attendees will learn how the HEARTH Act amendments may affect local planning and future program operations and what steps should be taken to prepare for the transition to new requirements. Attendees will also have an opportunity to learn about requirements for electronic reporting on homeless programs in a hands-on environment.

HUD strongly encourages CoC leaders, HMIS administrators and ESG and HPRP grantees to attend one of the conferences. Attendees may register for only **one** conference.

Online registration and additional information is available at www.onecpd.info. There is no registration fee for the conference, however, attendees are responsible for travel and other expenses associated with attendance. Scholarships are available to assist Continuums of Care (CoCs) defray these expenses and registrants can request scholarship application materials through the registration website.

Registration will close four weeks prior to each conference. On-site registration is not permitted. Attendance is limited to 750 persons at each conference.
