

**HPRP Quarterly Reporting and Possible Federal Shutdown:
Q7 QPR and FederalReporting.gov quarterly reports due April 14, 2011**

HPRP Grantees: Please be advised that in the event of a Federal government shutdown, the submission deadline for BOTH the HPRP Q7 Quarterly Performance Report (QPR) in *e-snaps* and the quarterly report submission in FederalReporting.gov will remain April 14, 2011.

The *e-snaps* system will be operational and the Virtual Help Desk will be staffed to answer any reporting questions (www.hudhre.info/hprp). Again, **HPRP grantees must submit their Q7 QPR in *e-snaps* and FederalReporting.gov report by midnight ET on April 14, 2011**, even if Federal government workers are on furlough next week.

The Office of Management and Budget (OMB) posted the following statement on the FederalReporting.gov home page: **“The Recovery Act requires ARRA recipients to report quarterly. FederalReporting.gov and the Help Desk will not be impacted by any possible shut down of the Federal government and will remain open for reporting through April 14, and then for the Continuous QA period.”**
