

HPRP Webinar: Strategies for Achieving Performance and Spending Goals New Date Added

HUD apologizes for the technical difficulties that we experienced on today's HPRP Webinar. We have rescheduled this webinar for **Thursday, December 16th at 3:30 p.m. ET.**

The webinar on **Thursday, December 9th** is still scheduled for **11 a.m. – 12:30 p.m. ET.**

If you registered for today's webinar, **or** have already registered for the webinar on Thursday, December 9th, you will be getting an email with a new link to register again. We will be using a different software, but unfortunately that means that everyone will have to re-register.

We are updating the Training Calendar on the HRE, so you can also go to the Training Calendar to register, at: <http://www.hudhre.info/index.cfm?do=viewCalendar>. (If it is not updated yet, please check back.)

Thank you for your patience as we work to get this important information out to you.
