**Emergency Solutions Grants Program: Preparing for HMIS Participation**

**October 18, 2011 3:30 – 4:30 PM EDT**

The McKinney-Vento Act as amended by the HEARTH Act makes Homeless Management Information System (HMIS) participation a statutory requirement for ESG recipients and subrecipients. Continuums of Care (CoCs) have an opportunity to begin working with ESG funded programs now to ensure they will be able to meet the HMIS participation requirements. This webinar is designed to assist CoCs in understanding and implementing the steps necessary to prepare ESG recipients and subrecipients for meeting HMIS participation requirements.
