CoC Check-up: Next Steps

January 17, 2012 3:30 – 4:30 PM ET

The Continuum of Care (CoC) Check-up self-assessment stage is coming to a close and CoCs are now preparing for next steps in the Check-up process. The CoC Check-up is designed to help CoCs determine their current capacity and performance and the degree to which CoCs are prepared for HEARTH implementation. Upon completing the self-assessment, CoCs will develop final self-ratings and a CoC action plan to guide CoC capacity and performance improvements. This webinar will provide an overview of next steps for CoCs, including a review of self-assessment reports, new HDX reports, self-assessment tools, the CoC Action Plan template, and related instructions for completing the CoC Check-up.

Webinar is limited to 1,000 participants.
