April 2, 2012

The weekly *Ready, SET, Go!* webinar series provides comprehensive information for Continuums of Care (CoCs), HMIS administrators, grantees, project sponsors and other stakeholders on a variety of topics. This message lists upcoming webinars.

April 3, 2012
3:30 – 4:30 PM ET

This webinar will demonstrate the Homelessness Data Exchange (HDX) and show communities how to enter (and update) their Housing Inventory Chart (HIC) and Point-In-Time (PIT) count in HUD's HDX. This webinar will not address specific questions regarding the methodology for collecting data. Please submit these questions through the Virtual Help Desk on the HUD HRE at <http://hudhre.info/index.cfm?do=viewHelpdesk>.

This webinar does not have prerequisites.

The webinar is limited to 1,000 participants. **Presently, there are 731 registrants, so there are 269 slots available.**
