

Using NSP for Permanent Supportive Housing Development

Webinar to be held Thursday, June 7, 2-4pm, EDT

May 31, 2012

Description:

This webinar will review opportunities for utilizing NSP funding for the creation of permanent supportive housing. This session will contextualize NSP as a viable tool to address both community revitalization and homeless response efforts. We will briefly review some key elements of supportive housing and hear from NSP grantees that have leveraged the program for these purposes. The webinar is intended for NSP grantees, sub-recipients, developers, as well as Continuums of Care and other homelessness stakeholders. A question and answer session will follow the presentation.
