The weekly Ready, SET, Go! webinar series provides comprehensive information for Continuums of Care (CoCs), HMIS administrators, grantees, project sponsors and other stakeholders on a variety of topics.

Building the Bridge: HPRP to ESG

Many communities are closing out their Homelessness Prevention and Rapid Re-Housing Program (HPRP) and beginning to implement the Emergency Solutions Grants (ESG) Program under the Interim Rule. Now is the time to leverage existing resources (and capacities) from HPRP to ensure a smooth transition to ESG. This webinar applies lessons learned from HPRP toward the implementation of ESG. Understanding the overlapping goals and programmatic details of the two programs helps jurisdictions identify where to focus planning to ensure a successful transition.

HUD's Office of Special Needs Assistance Programs (SNAPs) sponsors the Ready, SET, Go! webinar series. HUD makes these webinar presentations and accompanying materials available on the [Homelessness Resource Exchange](#) (HRE).
